Source: U.S. Department of Commerce, International Trade Administration, Office of Travel & Tourism Industries

- (1) Total U.S. (NET) reflects non-duplicated parties. These totals are not revised when Statistics Canada revises total visitor estimates.
- (2) Total U.S. (SUM) and regional totals sum the visits across U.S. regions and states. Thus, the sum totals include possible double-counting of travelers who visit more than one state. State details may not sum to totals due to rounding.
- (3) Based on industry recommendation, OTTI policy is to suppress state data for which sample size is fewer than 400.
- (4) *Holiday/Vacation* includes holiday/vacation, visit second home/cottage/condo, and attend events, attractions.
- (5) *Other* includes personal (medical, wedding, etc.), transit to/from other parts of Canada, educational study, shopping, and other.

Note: Totals for Canada may differ across tables due to differences in response rates for questions.
